Highlights 2017

Encore Boxers are moving into the third generation of Boxer Breeders, and hopefully onto a fourth. Sharing my life's passion; planning, studying, breeding, loving, caring, and showing makes my life whole. None of these accomplishments would be possible without the commitment and hard work of co-breeders, owners, and handlers.

I am blessed to include many wonderful people in the Encore family. To each of you who owns and loves an Encore show dog, performance dog, therapy dog, or pet... thank you! I am forever grateful for the wonderful homes and amazing friendships.
