* Handling Fees payable unless cancelled 5 days before entries close or dog is sick.

* All prize money goes to handler.

All fees are due and payable on the day of show. Monthly accounting can be set up. If you wish to pay on a per show basis, that means each weekend, no deposit is required. For monthly billing, an advance deposit of \$700.00 for ringside dogs, or \$1500.00 for dogs boarded with me must be received. 1 1/2 % will be added monthly to the unpaid balance after thirty days. Circuits are payable 1/2 in advance. When your dog finishes its championship, you will be responsible for handling fees for the remaining shows the dog is entered in, unless handler fills the class with another dog. It is understood that all fees will be paid before dog is released to you.

In the event of a ring conflict, the handler, at her discretion, may have someone else handle the dog. Client is still responsible for handling fees.

Handler agrees to exercise all due and reasonable care to prevent injury, illness, or loss of clients dog. However, in the event of injury, illness, or loss of dog, the handler and/or her assistants shall not be held personally liable for such injury, illness, or loss.
